

Mr. Straus of Mattapoisett moves that amendment number 952 be further amended by striking the amendment in its entirety and replacing it with the following:

Mr. Straus of Mattapoisett moves to amend H. 4100 by adding the following section:-

SECTION XX. Notwithstanding any general or special law to the contrary, the department of public utilities shall provide to the joint committee on telecommunications, utilities and energy no later than December 1, 2009, an update of the department of public utilities' report 07-6-A; provided, that said update shall include, but not be limited to, the impact of chapter 169 of the acts of 2008.
